Breach of planning – 22/01205/FUL – 39 Burnham Road, Hullbridge. Case closed, **Planning Permission granted 22nd February 2023**

23/00001/FUL – 305-307 Ferry Road, Hullbridge. Single storey extension to existing outbuilding (workshop/office) and use as a garden room. *No Objection (Feb 2023)* **PENDING**

23/00002/FUL – 66 Lower Road, Hullbridge, SS5 6DF. Proposed demolition of existing dwelling and construction of 2.no. two storey dwellinghouses with one new vehicular access from Kingsway. *Hullbridge Parish Council has No Objection to this application BUT would suggest clarification is sought on whether the applicant has received the appropriate permissions from the other residents of Kingsway for access off Kingsway as this is a Private Road.* **PERMITTED**

22/01205/FUL – 39 Burnham Road, Hullbridge _Retrospective application for a single storey rear/side extension. *Hullbridge Parish Council object to the retrospective planning application. The revised plans show that the additional ground floor extension is being built right up to the boundary line with merely a matter of inches between the building and the boundary fence. The new extension should be moved back from the boundary line, preferably by a metre. (HPC can envisage the current situation, if it were to be approved, could lead to "Party Wall" issues due to the applicants inability to maintain his property from his own land).* **PERMITTED**

We also object on the grounds of significant loss of light, due to the excessive height and length of the proposed alterations. It is significantly in excess of the previously approved height.

We are also concerned that the construction site is not compliant with Health & Safety requirements as the site it not being completely fenced in securely.

APPEAL LPA Ref – 22/00179/FUL. Appeal ref: APP/B1550/W/22/3306900. Land Between Donville And Torwood, Kingsway, Hullbridge, Essex, Demolish existing building and construct 3 bed dwellinghouse with new vehicular access, driveway and associated amenity space. *Hullbridge Parish Council (HPC) supports the Applicant's appeal. Generally HPC would defend "Green Belt" land with the most vociferousness. In this case the land in question lies between 2 existing properties neither of which have raised any objections. In addition these two properties are in turn surrounded by other properties with "Green Belt" surrounding them. HPC would also question the Rochford District Councils' views regarding the quality of the land for either Flora or Fauna. It is merely vacant scrubland.*

Update – Response to Appeal- **APPEAL LPA Ref – 22/00756/LDC. Appeal ref: APP/B1550/X/22/3310296. 5 The Grange, Murrels Lane, Hullbridge.** Demolish existing building and construct 3-bed dwellinghouse with new vehicular access, driveway and associated amenity space. *HPC Appeal response: HPC supports the position of Rochford District Council and their reasons for refusal. Namely; that having regard to the assessment of the limitations and restrictions applicable to development permitted by Class E, it would appear that the proposed development does not constitute "permitted development" under the provisions of Schedule 2 Part 1, Class E of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) because the outbuilding proposed for use as a garage and games rooms would be disproportionately large and given the existence of another outbuilding at the site, would not satisfy that part of Class E which requires that an outbuilding be required for a purpose incidental to the enjoyment of the dwelling house*
