Application reference number:18/00835/FUL date of decision: 17/01/2019. Variation of conditions numbers 2 and 9; this application submits drawings 1330-09s site plan and 1330-13f landscaping plans and asks for them to be substituted for those previously approved.

*HPC Object. The loss of green space and trees combined with an excess of block paving and little or no evidence of provision of attenuating measures for water run-off/drainage are contra to RDC and HPC Biodiversity Policies. The previously approved plans need to be adhered to. PERMITTED*

#### **23/00790/FUL– 99 Lower Road, Hullbridge Essex SS5**

Erection of outbuilding. Decking to cover the whole garden to the front gate.

*HPC Object. Over-development of the site, combined with an unacceptable loss of garden space as a result of an excessive volume of decking. HPC - Have concerns 3m Conifers appear to be used instead of fencing which would breach the 2m permitted height. Would also question whether the notation "Salon" means that this building is to be used for business purposes and is therefore a commercial building. PERMITTED*
