*Hullbridge Parish Council wishes to object to the application 20/01005/Full – 43 The Drive and below are our observations:*

*This is unacceptable back garden development which would have a poor relationship with surrounding dwellings and would open the door to similar applications. There is no provision for visitor parking on site and immediately adjacent on-road parking would not be possible. The Drive is an unadopted highway which is also the access road to The Walk, Birchdale, Tyndale Close, The Avenue, Padgetts Way, Alfreda Avenue, Creekview Avenue, The Esplanade, The Promenade and Riverview Gardens. It consists of a single concrete strip with occasional passing bays which are frequently blocked by parked vehicles, it is also the responsibility of residents to maintain this road. Any additional dwellings are likely to have a disproportional effect on traffic flows. In the event that this application is approved all vehicles associated with the construction should be required to park onsite and prohibited from using the private back lane which passes the rear of the site and contribute to the road being repaired due to the damage builders heavy vehicles will cause. This road already has a history of multiple trade vehicles continually blocking the Drive and the junction of the Drive and the Avenue, causing other road users and more importantly issues with emergency vehicles from passing and with footpaths not being able to be used by children and the elderly as blocked by materials and vehicles causing a major hazard.*

*This area also suffers with low water pressure and the sewage connection has also been damaged in the past and not reinstated properly.*

*For your information previous developments have caused considerable issues for residents of the drive and connecting roads, blocked footpaths, damage to the roads which have not been repaired and we have concerns this will happen again. We also have strong concerns about lack of any enforcement by any agency or service regarding unadopted roads. In particular enforcement regarding right of way 1980 Highways act,*
