UPDATE

24/00757/FUL – Brandy Hole Yacht Club, Kingsmans Farm Road, Hullbridge. Application for the change of use of the former Brandy Hole Yacht Club (Sui Generis) to Residential (C3) Use to form 3 no. dwellings including alteration and extensions and the formation of allocated car parking provision and provision of a central landscaped area in the location previously granted consent as a car park under application reference 17/00750/FUL. ***HPC do not object to the change of use for the former Brandy Hole Yacht Club building and the subsequent formation of 3 Residential dwellings. However, we DO OBJECT to the significant reduction in the number of parking spaces for visitors. The site is already overdeveloped, as a visit to site would illustrate. The landscaping plans are obviously designed to soften the visual impact of the overdevelopment. One visitor parking space for effectively 17 residential units is (1 space for the new units and 0 for the existing residential units) is unacceptable. There is no alternative parking available for visitors without adversely affecting highway safety for road users and pedestrians. In addition the submitted drawings give a false impression of the amount of space available on site, which again would be evident from a site visit. We would respectfully suggest RDC seek adjustments to the landscaping plans to accommodate more visitor parking capacity. We would recommend an additional 8 visitor parking spaces be provided.***

Hullbridge Parish Council has no objection but has the following observations and concerns: HPC cannot see a reason within current Planning/NPPF regulations to object to this application. However, we do have significant reservations about the loss of agricultural buildings and would not agree with the assertion that the new building would be an improvement in the street scene. The proposed application also falls within greenbelt.

24/00126/FUL – Brandy Hole Yacht Club – Kingsman Farm Road. Variation of condition no. 3 (approved plans) pursuant to planning permission ref. 17/00750/FUL (Demolition of Existing Holiday Home Caravans and Erect 14 no. Raised Dwellings) to allow for changes relating to design (appearance and scale), layout, and landscaping in respect of plots 7, 8, and 14 and to list amended plans already approved under Non-Material Amendment applications referenced 21/01229/NMA, 21/00784/NMA, and 22/01208/NMA.

Hullbridge Parish Council has No objection but the Council would like to bring to your attention to consider restrictions relating to contractors plant and vehicles accessing site protecting adjacent properties access. This includes delivery of caravans via Pooles Lane. Problem with drainage as ditches filled in by owners in 2015 causing flooding to property in the area. It was pointed out as they filled in one of the swale areas as well as a number of the drainage ditches.
