APPEAL LPA Ref – 22/00179/FUL. Appeal ref: APP/B1550/W/22/3306900. Land Between Donville And Torwood, Kingsway, Hullbridge, Essex, Demolish existing building and construct 3 bed dwellinghouse with new vehicular access, driveway and associated amenity space. **Hullbridge Parish Council (HPC) supports the Applicant's appeal. Generally HPC would defend "Green Belt" land with the most vociferousness. In this case the land in question lies between 2 existing properties neither of which have raised any objections. In addition these two properties are in turn surrounded by other properties with "Green Belt" surrounding them. HPC would also question the Rochford District Councils' views regarding the quality of the land for either Flora or Fauna. It is merely vacant scrubland.** **APPEAL DISMISSED**

Update – Response to Appeal- APPEAL LPA Ref – 22/00756/LDC. Appeal ref: APP/B1550/X/22/3310296. 5 The Grange, Murrels Lane, Hullbridge. Demolish existing building and construct 3-bed dwellinghouse with new vehicular access, driveway and associated amenity space. ***HPC Appeal response: HPC supports the position of Rochford District Council and their reasons for refusal. Namely; that having regard to the assessment of the limitations and restrictions applicable to development permitted by Class E, it would appear that the proposed development does not constitute "permitted development" under the provisions of Schedule 2 Part 1, Class E of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) because the outbuilding proposed for use as a garage and games rooms would be disproportionately large and given the existence of another outbuilding at the site, would not satisfy that part of Class E which requires that an outbuilding be required for a purpose incidental to the enjoyment of the dwelling house***
