Kendal Park Nature Reserve

Our Pond project is near to completion, just plants, the filling of the pond and the installation of a picnic table to go. In spring/summer we hope that you will enjoy this great asset including the opportunity to try pond dipping. The pond provides different habitats to encourage all types of wildlife. We are also making improvements to the Ferry Road entrance.

Malyons Farm Development

Rochford District Council in January agreed the Reserve Matters, the second part of the planning application for 500 dwellings. The Scheme has been greatly approved since the original proposal and many of the suggestions forwarded by residents and the Parish Council have been taken into account. We will still continue to have regular meetings with David Barratt Wilson and forward information regarding the Development.

Hullbridge Library Closure - Unfortunately the Library has been put into tier 4 which means it is set to close. We are working with County Cllr Mrs Weston and our MP to try and save it. We urge every resident to complete the Consultation.

Council Tax - We have kept the Parish Council increase to a minimum still maintaining Best Value for residents and providing Services under our remit which includes a free carpark, toilets, allotments and open spaces. The increase is 6.45% resulting with Parish Council Band D portion being £72.06 an increase of 8p per week

Councillors—We would like to thank Deniz Borg and Danny Gatehouse who have served on the Parish Council for their input and we welcome Darren Heales and we will co-opting to fill the other vacancy at our March Council meeting.
