### Hullbridge Christmas Fayre

As many of you are now aware our annual event due to be held on 4th December has now sadly been cancelled. We know this is a disappointment to many but we hope to bring this event back for 2022. The Christmas Tree will still be lit up in Pooles Lane Car Park and our Christmas Lights along Ferry Road. We will also be running the **CHAIRMAN'S Christmas Card Competition** for all Primary aged Children. Please send your entries to the Parish Office by 8th November 2021. We are looking forward to seeing your designs. There will be prizes for the winner and runners up, **Best Shop Frontage** will also be judged in the first week of December.

**Are you 80 or Over?** Or do you know someone who is? If so please contact the Parish Office details below to receive a Christmas Parcel.

### Local Plan

We hope many of you submitted your responses to Rochford's Spatial Options Document. The Parish Councillors worked hard on the official Parish response and this was submitted to Rochford on the 14th September. We will keep you informed of any communications regarding the New Local Plan via our Facebook page and website.

### Councillor Surgeries

These will be held bi-monthly in various locations around the village to give you the opportunity to talk face to face with a Councillor and raise any issues or concerns in confidence.

### E-Scooters

There has been an increased usage in E-scooters in the village, Please be aware that you require both a licence and insurance to ride these or your E-Scooter may be seized by the Police, they are not permitted to be ridden in the nature reserve.

**Kendal Park Nature Reserve** Please be aware of the sewage pipe renewal works being carried out by Anglian Water in Kendal Park. We are also sad to note that the pond is still subject to vandalism and we are considering ways to address this before repair works commence. The cockle shells will be replenished during the winter months to keep the pathways in tact.
