Rose Garden -We have carried out a lot of work in the Rose Garden which will be completed by the end of this month, this will include moving a bench and installing another one, defining a bed and putting an old rowing boat on the current concrete plinth which will be filled with flowers, also rose bushes will be added.

Recreation Ground - Sadly the new play boat has been vandalised, one port hole smashed beyond repair and flag ripped off, these acts are really unacceptable.

Best Frontage and Allotment Competitions Again this year we will be running two competitions, Best Frontage, which will see Councillors short listing properties around the village to be considered as the winner. The Allotment Competition will be judged at the beginning of July, a shortlist has already been decided.
