

HULLBRIDGE PARISH COUNCIL

Winter 2017

Welcome to our Winter Newsletter

Hullbridge Parish Council would like to wish you all a Merry Christmas & Happy New Year.

Co-Option

The Parish Council would like to take this opportunity to thank Mrs. Lesley Spencer for all her input as she has decided to stand down as a Member of the Parish Council. We would like to welcome Danny Gatehouse who has been co-opted onto the Parish Council at the November Full Council meeting.

Parcels for the Elderly (80+)

The Parish Council will be sending out over 160 parcels to Residents who are 80 and over, so please make sure you or someone you know are on our list.

Kendal Park Nature Reserve

We have carried out a lot of work in the Reserve and this will continue next year. We have split the meadow into different areas, some will be cut regularly and others will be left and cut once or twice a year also seeded so the wildflowers can increase and diversify. We will know if our funding bid to refurbish the pond has been successful or not by the end of this year. We hope to split the pond area so we have a nature pond where pond dipping can take place also a boggy area. Having both types of habitats will encourage all types of wildlife.

Malvons Farm Development

We have had a meeting with the Developers and will continue to work with them to make sure the development of 500 units will be delivered to the highest level and best for the Community with the right facilities and locations to promote Community cohesion. We will provide local knowledge and raise residents concerns so any issues are hopefully resolved. View Developers Community Engagement leaflet / response form once released—<http://www.hullbridgepc.co.uk/proposed-housing-in-hullbridge/>

Street Lights—Report defective lights to the Clerk.
